

CS/CE 224/272

Object Oriented Programming and Design Methodologies

Project Title			
Team Title (as on Canvas)			
Team Members' Details	Name	ID	Section
Team Member 1			
Team Member 2			
Team Member 3			

1. Introduction:

This section describes an overview (Summary) of your project.

2. Game / Application Details:

This section describes your project idea in detail. Please add as many subsections as needed. Examples are:

2.1 Players

2.2 Scoring

2.3 Obstacles, etc.

3. UML Diagram:

This section describes the (initial) UML diagram for your project. You may use any online or installed UML tool for this.

4. Game / Application Screens:

In this section you should describe / draw some sample screens / wireframes for your game / application. Again, you may use any online or installed tool for these screens.
