

PROJECT TITLE

team member 1, team member 2, team member 3 , team member 4

Introduction

Introduce briefly your project and working here, so that if there is no one to explain your project, the viewer/reader can get abstract of your project. Should include following information:

- Which FPGA, board?
- Input/Output Devices?
- FSM type? (Mealy / Moore)

FSM State Transition Diagram

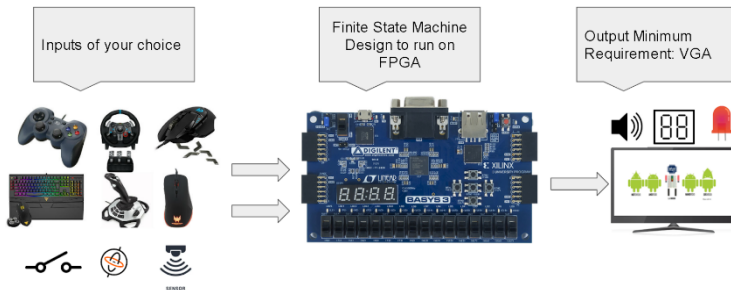

Add State Transition Diagram of Major FSM here ...

User Flow Diagram

Replace your Project's User flow Diagram

System Diagram

Replace your Project's Systems Diagram here

Results

Add screenshot of your project or gameplay

Hardware Resource Utilization

Add a screenshot of "Utilization" from "Project Summary" Window of Vivado. An Example is added for reference, and replace with yours.
